## \_\_\_\_\_ the fear of God

Ultimately, the remedy to the fear of man is having a growing and deepening fear of \_\_\_\_\_.

“Hear me, you who know what is right, you people who have my law in your hearts; do not fear the reproach of men or be terrified by their insults. For the moth will eat them up like a garment; the worm will devour them like wool. But MY righteousness will last forever, my salvation through all generations.” (Isaiah 51:7-8)

“All experiences of the fear of man, share at least one common feature: people are big. They have grown to idolatrous proportions in our lives. They control us. Since there is no room in our hearts to worship both God and people, whenever people are big, God is not. Therefore, the first task in escaping the snare of the fear of man is to know that God is awesome and glorious, not other people.”- Ed Welch
